

CATALYST GRIP DISCS

INTRODUCING OUR MID-RANGE CATALYST GRIP DISCS, CRAFTED TO TAKE YOUR STRENGTH TRAINING TO THE NEXT LEVEL WITH SUPERIOR DURABILITY AND COMFORT.

Each disc is meticulously crafted with a solid cast core and encased in polyurethane (PU), ensuring long-lasting performance and reliability. The PU coating offers a comfortable grip, minimising slippage and maximizing control during workouts. Designed for versatility, these grip discs provide balanced weight distribution for seamless integration into various exercises. The sleek finish not only

exudes sophistication but also protects floors from scratches and damage. Elevate your fitness regimen with our Grip Discs, where quality, affordability, and functionality converge seamlessly. These are the mid-class grip discs within the CATALYST range, made to last in the toughest, medium-volume gyms.
