

CATALYST RUBBER GRIP DISCS

INTRODUCING OUR ENTRY-LEVEL CATALYST RUBBER GRIP DISCS, DESIGNED TO AMPLIFY YOUR WEIGHTLIFTING SESSIONS WITH DURABILITY AND VERSATILITY.

Crafted from premium rubber, these discs ensure long-lasting performance and resistance to wear and tear. The textured grip surface offers a secure hold, enhancing control and stability during lifts. Engineered with precision, they feature accurate weight measurements for seamless integration into your workout routine. The sleek rubber finish not only adds durability but also protects floors from scratches and dents. Elevate your fitness journey with our Rubber Grip Discs, where quality construction and functional design converge for superior results in every lift. These are entry-level grip discs within the CATALYST range, recommended for small to medium-volume gyms.
