CATALYST AND CUSTOM RACKS

CATALYST AND CUSTOM 10 PAIRS HORIZONTAL DUMBBELL RACK

UPGRADE YOUR GYM'S ORGANISATION AND STYLE WITH OUR 10 PAIRS HORIZONTAL DUMBBELL RACK, DESIGNED WITH PREMIUM POLYURETHANE (PU) SADDLES FOR OPTIMAL PROTECTION AND CONVENIENCE.

This rack is expertly crafted to store and display your round head dumbbells, merging top-tier quality with sophisticated design. Built from high-strength steel and finished with a durable powder coating, it offers outstanding durability and corrosion resistance, making it perfect for any gym setting. The PU saddles provide a soft, secure grip that safeguards your dumbbells and reduces noise during storage. Precision-engineered with a sleek and modern aesthetic, this rack not only adds a touch of elegance to your gym but also keeps your dumbbells neatly organised and easily accessible. Upgrade your storage solution with our 10 Pairs Horizontal Dumbbell Rack—where exceptional craftsmanship meets functional design for superior organisation.
